FMK C1 Series

PROUDLY AMERICAN!

FMK C1 Compact Semi-Auto Pistol

FMK C1 is available in two different calibers 9mm (model 9C1 G2) and 40 S&W (model 40C1). The FMK C1 is ergonomically built to comfortably fit both large and small hands. The barrel is engineered to sit low for superior point and shoot accuracy and reduced muzzle flip. Designed with a Shock Absorbing Back-strap which softens recoil by one full caliber. The triggers can be interchanged with either it's smooth DAO trigger which is California and Massachusetts approved or the 316 Fast Action Trigger with a quick short trigger pull that features drop free magazine release. Sight system is Glock® compatible, 3rd party sight are easy to install, so feel free to select your favorite fibre optic or nights sights!

Choose from a Black or Satin Nickel plated slide and seven different color frames Black, Dark Earth, OD Green, Urban Grey, Pink, Crimson Red and Tiffany Blue, engraved with the Bill of Rights or simply plain as shown. The FMK C1 has virtually no external protrusions making it ideal for concealed carry; and of course, **it's Proudly American!**
